WELCOME TO

Millthorpe Village

Welcome to the quaint, historic village of Millthorpe.

Take a step back in time and enjoy our village and community. After nearly a decade of living and working overseas we moved to beautiful Millthorpe in 2015 to immerse ourselves in a vibrant community in a wonderful pocket of NSW. We are lucky enough to breathe high country air, soak in the rural views and enjoy our historic centre every day.

VISITING

Millthorpe

Millthorpe is a wonderful heritage village to visit at any time of the year and any day of the week with some days busier than others.

Being a village, not all businesses, services, shops and attractions will be open seven days a week, however whatever day/s you come, there will be plenty to do and see. Some businesses are 'open by appointment' so don't be afraid to call ahead.

For more detailed business opening times please visit our village website **www.millthorpevillage.com.au**

Later in the week and on weekends, Millthorpe is fully open for business with boutique shops, art galleries and more. Stroll the streets and browse the stores for clothes, shoes, art, accessories, local produce and vintage goods. Revel in a range of options for lunch and dinner and several cellar doors for wine tasting.

On weekends, and every day during school holidays, the Golden Memories Museum is also open. The Museum presents diverse and fascinating exhibitions which tell the story of the region and its history. Exhibits range from small domestic items to interactive displays and extraordinary machinery.

Early in the week, food and wine outlets, commercial businesses and services, plus some shops and attractions, are open. This is also an opportune time to explore the village on foot using one of our printed guides, to see the beautiful historic homes, or to tour the local countryside.

HISTORY & Heritage

Take a step back in time; stroll through the streets and parks and imagine living here a century ago. A time when horses were tethered to veranda posts, and carts and bullock wagons headed to Station Place to unload produce. When children carried satchels as they dawdled to school, passing locals meeting on street corners.

Millthorpe has a rich history, well-known for its grand public and commercial buildings and its heritage streetscapes that have remained mostly unchanged since the early 1900s. Today, Millthorpe village is a heritage conservation area.
