Conference Venues

The Orange Region is gaining popularity with event and conference organisers due to the fabulous location, landscape and wine/food offering. Now connected to Brisbane, Melbourne and Sydney with daily flights the city attracts delegates and visitors looking for a unique experience. There’s no shortage of expertise on offer with numerous conference venues, caterers, tour and transfer operators, cellar doors and hatted restaurants. The greatest attraction though is the ambience, the way time seems to slow down on these fertile hillsides, allowing more time to think, more time to create. A few days here can provide a life time of inspiration.
